Tap Colour Finishes

HC-1100 & GN1100

Application

A premium sink appliance for the kitchen that conveniently dispenses instant 98°C water from a single tap. Ideal for making tea, preparing pasta, cleaning dishes, blanching vegetables, warming baby's bottle or for any other activity that requires the use of steaming hot water.

Features

- Sparkling chrome finish
- Elegant spout swivels for convenience
- Gentle touch, one lever dispenser
- Shut off valve built into filter head to automatically stop water flow
- Tap insulated from heat
- Tap mounted on either the kitchen work surface or sink
- Unobtrusive 2.5 litre stainless steel tank fitted under sink
- Easy replaceable filter
- Adjustable temperature dial
- Plugs directly into electrical socket located close to appliance
- Two year full warranty

Benefits

- 98°C steaming hot water instantly
- Produces up to 100 cups of steaming hot water per hour
- Safe, filtered drinking water
- Reduces chlorine, lead, turbidity and other unpleasant tastes and odours from water
- Energy efficient and economical, saving both time and money once installed
- Special scale reduction technology to protect heating elements in hard water
- Time-tested quality
